FESTIVAL MAP

The Illawarra Shoalhaven Gender Alliance is a community-driven initiative focused on promoting gender equality and inclusivity within the Illawarra and Shoalhaven regions of New South Wales, Australia. This alliance brings together individuals, organisations, and stakeholders committed to addressing gender-based disparities and fostering a supportive environment for all genders. Through advocacy, education, and collaborative efforts, the Illawarra Shoalhaven Gender Alliance aims to create a society where everyone, regardless of gender, has the opportunity to thrive. Their work encompasses various areas such as workplace equality, education, health, and community engagement, striving to eliminate gender biases and empower individuals to achieve their full potential.
